Vermont Attorney General

To whom it concerns,

This is a request under the Vermont Public Records Law. Per the statute, please provide the following information as promptly as possible.

I am seeking a log of all public records requests made to your office since November 1, 2019, preferably containing the name of the filer, a brief description of the request and the request's disposition. If your office does not maintain such a list, please provide copies of all public records requests received by your office since the above date.

I preemptively agree to pay fees up to \$100 for the search and production of the above-described records and ask to be notified only if the estimated fees exceed that amount. Once records are compiled, please justify each deletion separately by reference to specific exemptions of the law and release all reasonably segregable portions of otherwise-exempt material.

I look forward to your response within the act's statutory time limit.

Thank you for your consideration of this request.

Sincerely,

Justin Glawe
